Re: FOIA Request

Dear Sir/Madam:

Pursuant to the Freedom of Information Act (FOIA), I am hereby requesting access to review and/or copy documents in possession of USEPA regarding the Town of Cumberland Landfill, aka Albion Road Landfill that is located on Albion Road in Cumberland, RI. Documents requested include, but are not limited to, inspections, PRP investigations, witness interviews, enforcement actions, violation notices and remediation activities during the time that the Town of Cumberland owned and operated the landfill circa 1954-1983. Documents should also include any remediation arrangements and settlement agreements that EPA might have had with the Owens Corning Company in conjunction with the company's Ashton Mill operation in Cumberland and its use of the Town landfill for waste disposal.

If you need additional information, please contact me at 401-728-2400 or via e-mail, thefner@cumberlandri.org

Sincerely,

Thomas Hefner
Solicitor, Town of Cumberland
